

Recent Grants: Community Grants - Ulster County

2018 Grant Recipients:

Arm of the Sea Productions

\$1,000

The grant is for the purchase of sound equipment and musical instruments for Arm-of-the-Sea Theater's touring productions and for use at The Tidewater Center, a community arts and science facility the organization is developing in Saugerties. The new equipment will heighten the quality of the presentations provided.

www.armofthesea.org

Bardavon 1869 Opera House

\$2,250

Funds will be used to celebrate Black History Month with a free public performance of Rhapsody in Black at UPAC. There will be a Q&A with Actor/Writer LeLand Gantt and a panel discussion with representatives from the African Roots Library following the performance. The performance will be a collaboration with Black History Month Kingston, The African Roots Library and the Kingston Midtown Arts District.

www.bardavon.org

Center for Creative Education

\$2,000

The grant will be used to hire a part-time bookkeeper. CCE has grown exponentially so additional staff needs to be brought on. The work will include taking payments for classes and making scholarship arrangements with families which will free up other staff.

www.cce4me.org

Center for Spectrum Services

\$1,300

The funding will cover five scholarships to Spectrum Services' Autism Institute for SUNY Ulster students whose educational track is leading them to be special educators, or who might have interest in specifically teaching children with autism. They will learn the latest methods of working with children with autism and increase their knowledge of teaching children with autism.

www.centerforspectrumservices.org

Children's Home of Kingston

\$1,155

The Children's Home of Kingston will purchase a one-year license agreement from the SafeSchools Training Course library. This online library of courses will be made available to all board members, administrators and staff to promote learning and development that will benefit the youth. Staff (and board members) will be more informed about how to handle situations with the residents and students, help those youth to progress towards their residential and academic goals, improve safety and security and create awareness for improvements of the physical space.

www.chkingston.org

D&H Canal Historical Society and Museum

\$2,500

The grant will help fund research into the largely undocumented role that children, women, immigrants, and people of color played in building and operating the Delaware & Hudson Canal. The results of this research will enable the museum to better integrate the stories of marginalized populations into publications and presentations and into the design of exhibits. The initial objective is to create a study guide for educators, which will help them integrate the stories and sources identified through the funded research into the common core curriculum.

www.canalmuseum.org

Hudson Valley Seed

\$1,500

This grant will be for the program support and professional development of the educator who serves students in the Hudson Valley Seed school garden classrooms at Robert Graves Elementary and JFK Elementary schools in Kingston. It will help to cover the cost of materials for raised beds, soil improvement, and drip irrigation while also covering fees for attendance at professional development conferences.

www.hudsonvalleyseed.org

Kingston YMCA Farm Project

\$1,798

The Farm Project will use the funds to improve the urban farm infrastructure. This will include the purchase of fruit bushes, shelving units for storage and supplies to build a new wash station. The fruit will enhance the appeal of the farm stand, the shelves will keep supplies more organized and the wash station will ensure clean and attractive produce for all customers.

www.kingstonymcafarmproject.org

Legal Services of the Hudson Valley

\$2,000

LSHV will purchase laptops and WiFi extenders for staff based in the Kingston office. This equipment will allow attorneys to better serve survivors of domestic violence in Ulster. New staff members need to travel frequently to meet with clients, appear in court, engage partners and other stakeholders, and participate in community events and outreach opportunities so having a portable device is imperative.

www.lshv.org

Library at the AJ Williams-Myers African Roots Center

\$1,200

Funds will help hire teen Literacy Mentors. Pass It On is a reading program that harnesses the energy of high school Mentors to promote literacy and a love of reading in younger children. Not only do Black children need books that portray the entire story of their history accurately, so they can understand who they are and where they came from, but all children need to be exposed to books that reflect the wide diversity of the community and the world. Access to books is especially vital to children from impoverished neighborhoods.

www.africanrootslibrary.org

Maya Gold Foundation

\$2,988

The Foundation will purchase equipment needed for community programs and outreach that ultimately help youth thrive. These programs are for teens in New Paltz and the surrounding area and will enhance emotional awareness, build mutual support and caring among teens and adults, strengthen inner resilience, and teach mindfulness practice.

www.mayagoldfoundation.org

New Paltz Rescue Squad

\$1,000

Two dedicated desktop computers will be purchased with the funds for the Membership and Education departments. This will lead to increased office productivity allowing the Rescue Squad to effectively support a larger membership as well as increase community educational opportunities.

www.newpaltzrescue.org

Phillies Bridge Farm Project

\$1,477

Phillies Bridge will purchase a laptop, software and color laser printer for the Head Farm Manager. This will increase her productivity and efficiency.

www.philliesbridge.org

Pine Hill Community Center

\$2,000

Funds will be used to upgrade technology at the Center which will help to provide the community 7-day week free access to the Internet. New technology will help visitors and especially, students and seniors connect with the outside world especially in a remote rural location with unreliable Wi-Fi.

www.pinehillcommunitycenter.org

Resource Center for Accessible Living

\$2,000

Funds will go towards the purchase of a shed that will store the excess items of the medical loan closet. The current area where those items are stored will be re-purposed into a classroom for employment programs.

www.rcal.org

Rosendale Theatre

\$3,000

A Closed Captioning System will be purchased with the funds which will make the Theatre more accessible for the hearing and visually impaired. The System is designed to transmit hearing impaired (HI) audio, visually impaired narrative (VI-N), and closed captions into an auditorium using standard infrared technology.

www.rosendaletheatre.org

Ulster County Habitat for Humanity

\$1,120

The grant will pay registration fees for staff and Board Members to attend Habitat for Humanity International's biannual Conference for US Affiliates, offering training in all areas of Habitat operations. The information garnered by each attendee for growth and compliance will be incorporated into the strategic plan.

www.ulsterhabitat.org

Ulster Literacy Association

\$2,823

Funds will be used to purchase newly revised mandatory assessment tools from the New York State Department of Education. This will make ULA in compliance with NYSED testing requirements.

www.ulsterliteracy.org

Woodstock Byrdcliffe Guild

\$1,840

Transportable looms will be purchased so classes can be held at different sites and more people can attend. The Guild will be creating their own textile studio and offering fellowships in weaving. This will expose more people to weaving, crafts in general and the heritage and cultural impact of the Guild.

www.woodstockguild.org

Recent Grants: Community Grants - Ulster County

2017 Grant Recipients:

Anderson Center Services

\$1,000.

The grant is for autism awareness training and consultation services for Ulster County organizations. Trainings will support the creation of an environment that is friendly, inviting and sensitive to the needs of individuals with autism or other developmental disabilities and their families. Providing consistent, continual trainings will broaden the knowledge base of the typical behaviors and needs of individuals on the autism spectrum, and ultimately raise public awareness of autism in Ulster County.

www.andersoncenterforautism.org

Center for Creative Education

\$1,500

Funds will support additional administrative support staff who will assist in the growth of the organization. This will allow more youth to be served as CCE will have the ability to offer classes seven days a week throughout the year.

www.cce4me.org

Court Appointed Special Advocates for Children of Ulster County

\$3,000

The funds will purchase duffel bags for kids and teens in foster care or under Child Protective Services in order to give them a sense of stability. This is something they can call their own to hold their possessions during transition of placement.

www.casaulster.org

D&H Canal Historical Society and Museum

\$2,000

This grant will purchase a large size photo and document scanner which will aid in cataloguing collections as well as re-producing documents and photos for display and publication. It will enable better sharing of the collections with other cultural institutions as well as researchers and individuals interested in the history of the Canal.

www.canalmuseum.org/

Historic Huguenot Street

\$1,958

Two new laptop computers will support the organization's recent and ongoing growth. Since 2014, school programming attendance and revenue have doubled. New laptops that can sustain the added usage and modern programs will ease the burden on the network and decrease the demand for technology support.

www.huguenotstreet.org

Hudson River Maritime Museum

\$2,000

Funds will assist in purchasing a 3-D topography map of the state & its waterways will be the centerpiece of a new exhibit commemorating the bicentennial of the NYS canal system. The project will demonstrate the economic/social costs & benefits of one of the largest infrastructure projects of the era. It will instill a sense of pride in this NY accomplishment, engage new audiences, & serve as a destination exhibit.

www.hrmm.org

Hudson Valley Seed, Inc.

\$999

Funding will be used to buy a computer for the new Ulster County educator. A laptop with up-to-date software will improve the quality of educational materials that staff produce and greatly improve the use of staff time.

www.hudsonvalleyseed.org

Kingston YMCA Farm Project

\$1,000

The grant will help cover the cost of professional development opportunities and farm tools and supplies. Additional garden tools and supplies will enhance programming and serve more youth. Funds will allow for adult and youth staff to attend a conference to learn about innovative community based programs that are working towards food and racial justice.

www.kingstonymcafarmproject.org

Legal Services of the Hudson Valley

\$1,500

Laptops and Wi-Fi extenders will allow Kingston-based attorneys to better meet the needs of clients as they are often required to travel and work outside of office hours. This equipment will make staff workload more manageable and allow them to be available to clients in a more convenient manner.

www.lshv.org

Library at the AJ Williams-Myers African Roots Center

\$1,000

Funds will help to hire teen Literacy Mentors. Pass It On is a reading program that harnesses the energy of high school Mentors to promote literacy and a love of reading in younger children. Not only do Black children need books that portray the entire story of their history accurately, so they can understand who they are and where they came from, but all children need to be exposed to books that reflect the wide diversity of community and the world. Access to books is especially vital to children from impoverished neighborhoods.

<http://africanrootslibrary.org>

Mohonk Preserve, Inc

\$1,377.50

The grant will help to purchase an all-terrain wheelchair which will enable the inclusion of individuals with mobility impairments to access nature and participate in recreational, educational, and conservation activities at the Mohonk Preserve. Standard wheelchairs are not equipped to handle the hiking trails of the Preserve, but all-terrain wheelchairs are more durable, have better equipped wheels and stability control, and offer greater maneuverability over rough or uneven ground.

www.mohonkpreserve.org

New Horizons Resources

\$1,000

The grant will purchase iPads for the telemedicine project. They will be utilized in NHR's residential homes in Ulster County to provide Telemedicine coverage by nursing staff to residents. They will also be used by direct support professionals to update program plans for residents.

www.nhrny.org

People's Place

\$2,459.68

Funds will be used to purchase commercial grade work tables to help with the safe distribution of fresh produce and meats for the food pantry and other food programming offered. The tables will not only serve as a safe, sanitary, easy to clean, germ resistant designated work area for volunteers and recipients, but also addresses significant safety issues.

www.peoplesplaceuc.org/

The Susie Reizod Foundation

\$1,434.57

The grant will purchase new backpacks and shoes for economically disadvantaged school-aged children living in Ulster County. Children are embarrassed, reluctant, and unable to attend school and participate in academic activities without appropriate shoes and school items. These items will help to enhance the academic preparation, school attendance and academic participation of the children.

www.thesusiereizodfoundation.org

Ulster Literacy Association

\$2,671.25

Textbooks will be given to every active tutor to better support their work with an adult learner. The textbooks are an invaluable educational tool that will improve every learner's language proficiency. Literacy leads to employment, opportunity, and independence.

www.ulsterliteracy.org

United Way of Ulster County

\$1,000

Funds will help cover the cost of website optimization for mobile devices will improve marketing and outreach and increase charitable giving, particularly among the millennial population. It will also encourage more interaction with this group of potential donors, and allow for interfacing with new donor software programs designed to appeal to millennial donors.

www.ulsterunitedway.org

Walkway Over the Hudson

\$1,500

Funds will help purchase wheelchairs for visitors to the Walkway making it more accessible for the disabled, elderly, injured, obese, and other mobility-challenged visitors. Having updated wheelchairs available provides inclusive opportunities for recreation and will insure full access to the Park and all of its benefits for all visitors.

www.walkway.org

YWCA of Ulster County

\$800

Funds will help purchase iPads to be used to implement a new data collection tool for Girls Inc. programming. It will allow YWCA's staff to effectively collect, track, report and measure programmatic impact and outcomes for the program. The YWCA will be better equipped to generate meaningful reports that help to identify youth that might need more attention.

www.ywcaulster.org

2016 Grant Recipients:

Arm of the Sea Productions

\$1,625

A laptop and digital projector will be purchased with the grant. The equipment will be strategically utilized in the organization's audience outreach efforts, in its artist-in-residence programs, and for its upcoming development project on the Saugerties waterfront. These devices will increase the organization's capacity to communicate effectively with presenters, funders, students, audience members, and community stakeholders.

www.armofthesea.org

Center for Creative Education

\$3,000

Funds will be used to purchase a sound system for the new dance studio and update the main office computer. These critical upgrades will increase the ability to serve the more than 200 youth who come to the Center. CCE is now in its 27th year of providing arts education programs to low-income and at-risk children and youth.

www.cce4me.org

Court Appointed Special Advocates for Children of Ulster County

\$1,250

The grant will be used to update CASA's webpage and extend technical support. This will allow for swift and effective communication with volunteers, sponsors, and donors. The upgrade will help to increase outreach to potential volunteers and donors, as well publicize timely information related to the population of children served.

www.casaulster.org

Family of Woodstock

\$1,500

Funding will be used towards the renovation of a new administrative and adolescent services office including wall removal, air conditioning installation and upgrading wiring for phones and computers. The building was purchased to address the need for additional case manager space and to allow the agency to continue to grow and provide additional services to the community.

<http://www.familyofwoodstockinc.org/>

Historic Huguenot Street

\$2,000

Funds will be used to help purchase a professional podium and sound system to enhance and allow for growth of public programs, tours, and development events. With new, more reliable equipment, HHS will be able to put on professional lectures, meetings, and events as well as invite more distinguished guests to speak and other institutions to use the space.

www.huguenotstreet.org

Hudson River Maritime Museum

\$2,743

A server will be purchased with the grant to back up the digitized files of over 16,000 items, including an oral history collection, an extensive art, photo, ephemera, and document collection and three dimensional objects and artwork. This will guarantee public access, build broader audiences, and allow for the production of online art exhibits. Staff has received extensive training in digitization, joined Hudson River Valley Heritage, a regional online repository for digitized archival materials, and has begun uploading files to the website.

www.hrmm.org

Kingston YMCA Farm Project

\$2,000

The funds will be used to purchase educational resources and cooking tools to enhance and strengthen education programs with 3 -18 year olds and Ulster County Healthy Families. Additionally, it will be used to expand programming to educate all students in grades pre-K-4 at George Washington Elementary school.

www.kingstonymcafarmproject.org

People's Place

\$3,000

A new database program will be purchased with the grant which will help implement a new computer program for client services. The existing database will be converted to the new system to better track the analytics of program services, who uses them, and their profile and provide a higher level of security. Additionally, it will be used to help determine needs and develop future programming for community members.

<http://www.peoplesplaceuc.org/>

Phillies Bridge Farm Project

\$1,032

The grant will be used towards professional development courses through the Cornell Cooperative Extension Small Farms Program in financial planning, climate-smart farming, CPR/AED first aid certification for staff, as well as training in grant proposal writing, board oversight and governance, and alternative fundraising for members of the volunteer board of directors. Development in these core areas will further the staff and board's ability to effectively and safely run farm programs.

www.philliesbridge.org

The Susie Reizod Foundation

\$1,000

Funds will be used to purchase new backpacks and shoes for economically disadvantaged school-aged children living in Ulster County. Children are embarrassed, reluctant, and unable to attend school and participate in academic activities without appropriate shoes and school items. These items will help to enhance the academic preparation, school attendance and academic participation of the children.

www.thesusiereizodfoundation.org

Ulster County Historical Society

\$1,400

The grant will be used to help purchase a laptop, large bed scanner, backup drive, and software to increase capability to have accessible collections data for the museum and library collection. Having a large scanner will allow for the accommodation of larger formatted documents, such as land deeds, wills, and other larger formatted documents. Being able to scan photograph and print material will increase efficiency and online availability of the collections.

www.ulstercountyhs.org

Ulster Literacy Association

\$1,500

Funds will be used to increase work space and storage capacity. Cabinets will be installed, a wall will be built to divide a large space and the kitchenette will be outfitted with a sink. These changes are necessary to accommodate a growing staff and increase efficiency.

www.ulsterliteracy.org

Wawarsing Council of Agencies - c/o the Rose Women's Care Service

\$2,450

Funding will be used for the facilitation of six Community Forums that will allow the Council to better understand and respond to the changing and diverse needs of the Ellenville/Wawarsing community. In addition a consultant will be hired to facilitate with the Council, a day-long Community Based Strategic Planning Session in order to develop new outreach strategies to improve communications and connections within the community. The Council is committed to improving access to health and human services, as well as connect people to resources that can improve their overall health and wellness.

2015 Grant Recipients:

The Center for the Prevention of Child Abuse

\$1,500

The funds go towards the purchase of the Committee for Children's Second Step Child Protection Unit and a projector. This will allow the Personal Safety Program to establish evidence-based curriculum which features research-based prevention and intervention components, including training and resources for school staff, classroom activities, and materials for families.

Court Appointed Special Advocates for Children of Ulster County (CASA)

\$2,260

The funds will supply the CASA office with a desktop computer and an updated CasaManager system to protect confidential files, network with outside offices and effectively track developmental, educational, medical, and legal details of all the children served.

Family of Woodstock, Inc.

\$3,000

Funds will be used to purchase a new phone system for the Family of Woodstock Hotline. The program will also respond to text messages and the software will keep programmatic statistics on the computer.

Historic Huguenot Street

\$2,400

The funds will be used to purchase computer equipment and an update to QuickBooks point-of-sale software to improve operations in its physical and online museum shop, which is an important revenue stream for the organization, in order to enhance organizational capacity and further sustainability.

Kingston YMCA Farm Project

\$500

The funds will provide leadership training to the Farmer and Educator of the Kingston YMCA Farm Project which is an urban, educational farm in Midtown Kingston, aiming to connect the dots between growing and eating healthy food. Through participation in the five day training called The Art of Leadership, by the Rockwood Leadership Institute, she will increase her ability to lead, develop, cultivate partnerships, and sustain the Farm Project potential.

People's Place

\$3,000

The funds will provide a new donation/sponsor software system to update the management and Board of Directors with setting strategic financial goals, nurturing annual funding sources, reviewing past donor profiles, cultivating continued partnerships with business and personal donors, and communicating gratitude.

Phillies Bridge Farm Project

\$1,450

The funds will provide tools and materials for maintenance and improvement of the Education and Discovery Gardens and Nature Trail, which are used as teaching sites during education programs for students of all ages, ranging from pre-school to college level, even adult and senior citizen workshops.

Rondout Valley Growers Association (RVGA)

\$1,450

The funds will be used to create an inter-generational hands-on farm experience, Rondout Valley Farm Day. Funds will allow RVGA to develop an accompanying farm field guide for students and their parents from the Rondout Valley, to deepen the burgeoning farm to school connection, and provide a lasting impact for those participants- farmers, students, parents and teachers.

Saint James UMC Outreach

\$3,000

The funds will allow for the purchase of a commercial grade dishwasher and walk-in cooler to help renovate the commercial kitchen space. This will allow for teaching community cooking classes with the possibility of developing a product line that would support their charitable work and create jobs. These items will also enhance the capacity to provide hot meals from the kitchen to people in need.

Shadowland Artists, Inc.

\$2,800

The funds will provide new and replacement wireless headset equipment for the production staff in order to expand, upgrade and modernize wireless equipment in an effort to establish and improve communications during each performance. This will improve the professional productions and enhance worker safety, while connecting aspects of the building and staff that have not been previously connected.

Ulster Literacy Association

\$734

The funds will provide a laser color printer and toners, allowing the association to migrate the printing of brochures, flyers, donor mailings and tutor training materials in-house. The goal of the ULA is to empower people through the gift of literacy.

Wallkill Valley Rail Trail Association

\$2,000

The funds will allow for the purchase of a better quality and more affordable donor management software and also update current versions of operations software for the WVRTA office computers.

Wild Earth Wilderness School

\$800

The funds will unify Wild Earth's data, fundraising, program registration, email marketing and all customer relationship management to one single platform to optimize fundraising, program and marketing efforts.

Women's Studio Workshop (WSW)

\$1,100

The funds will provide new office equipment for expansion, including software to be used for the Art in Education program; facilitating community involvement, increasing organizational efficiency, and modernizing general programming.

2014 Grant Recipients:

CASA of Ulster County

\$2,250

In response to a growing number of children in foster care, the addition of a third family court judge and the need for more volunteers; funds will purchase marketing materials to increase the diversity of its volunteers, and furniture to accommodate them.

The Children's Home of Kingston

\$1,700

Funding will help to purchase cafeteria tables with attached benches. These tables and benches will ensure safety and durability for staff and clients. They will also stand the test of time so the number of years that they will be used is significantly longer than existing furniture.

Family of Woodstock

\$1,500

Funds will be used for a Spanish speaking aide to facilitate communication with Spanish speaking youth in the afterschool program. The aid will also facilitate communication with the parents of the youth to better identify family needs.

Friends of Historic Kingston

\$540

Funds will go to the installation of loaned works of art and artifacts, as well as publication of the catalog for the exhibition "Jervis McEntee: Kingston's Hudson River School Artist".

Happy To Help Food Pantry

\$1,200

Funds will be used to purchase two upright freezers to expand capacity to provide quality, safe food assistance to their growing client base.

Junior League of Kingston

\$3,000

Funding will be used for materials and supplies for the construction of Kingston Kinderland II. The new structure, comprised of more than 30 interactive components will reflect the history and culture of the region with one-of-a-kind play structures, including a Kingston Lighthouse and Senate House reproduction.

Mount Tremper Arts

\$1,000

Funds will help to purchase a MacBook Air laptop computer and Microsoft Office software for the newly hired Director of Programs. This computer and software represents essential equipment for this growing organization.

People's Place

\$1,900

Funding will help to purchase a depository safe, lightweight tables, and shelving to use in the food pantry and thrift store to enhance security, visibility and ease of access of items and maintain cleanliness.

Resource Center for Accessible Living

\$975

Funds will be used to provide Disability Awareness training about blindness to school aged children with hands on activities that are designed to change attitudes and encourage acceptance of people with visual impairments.

Shadowland Theatre

\$1,500

The grant will help towards funding the purchase of Customer Relations Management software which will help to upgrade and unify the database(s) and website, connect to QuickBooks, allow online ticket sales for the first time, and improve marketing, accounting and donor relations.

Ulster County Historical Society

\$1,500

Funding will help to upgrade display cases for rotating exhibits and improve storage capacity for reserve collections including the Will Plank Civil War Collection.

Ulster Literacy Association

\$694

Educational materials will be purchased for the reference library for tutors and their learners. Learning materials utilized are highly specialized and costly but once purchased, they can be utilized for many years by the community.

Woodstock Artists Association & Museum

\$540

New equipment will be purchased to increase general office productivity, facilitate collection and database management, improve digital imaging workflow, improve the appearance and presentation of exhibitions, enhance the value of interpretive text panels and generally improve the look of materials produced in-house.

YMCA of Kingston and Ulster County

\$1,700

Funds will help to purchase a commercial refrigerator that will increase the capacity of the farm's ability to harvest, store, and provide fresh produce to the Midtown Community.

2013 Grant Recipients:

Alzheimer's Association, Hudson Valley/Rockland/Westchester, NY Chapter

\$900

This grant will provide funds for the purchase of materials needed to incorporate virtual dementia tours in trainings about Alzheimer's disease and other dementias, to enhance care and quality of life for individuals with Alzheimer's disease and related disorders.

Bardavon 1869 Opera House, Inc.

\$3,000

This grant will help defray the overall program costs, enabling the Ulster Performing Arts Center to make \$3 tickets available to area pre-K through high school students, many of whom come from low-income homes and may not otherwise have the opportunity to experience a live arts performance all year.

Breast Cancer Options

\$1,000

This grant will be used to purchase a computer and compatible software. The new database software is necessary as all of the design of educational materials and maintenance of the website is done in-house.

Dutchess County Arts Council - Arts Mid-Hudson

\$1,000

This grant will provide funding towards producing new marketing materials featuring the Ulster County service area of Arts Mid-Hudson, previously known as Dutchess County Arts Council.

Family of Woodstock, Inc.

\$1,500

The grant will provide youth development, recreational and educational programming for the children at the Everette Hodge Community Center in Midtown Kingston during the school-year and the summer.

Junior Achievement of Northeastern NY, Inc.

\$1,000

The grant will be used for the purchase of program kits - each volunteer needs a program kit for each classroom - which contain the hands-on materials for the students in the Junior Achievement program.

Klyne Esopus Historical Society Museum

\$2,000

Funds will purchase updated office equipment to replace outdated and deteriorated record keeping and communications equipment which will significantly enhance the administrative efficiency of the Museum and outreach to the public.

Phoenicia Library

\$2,000

The grant will purchase laptops that will provide computer services and implement a four-fold program that includes basic digital literacy, weekly job lab, online education and STEM-focused training for young people.

Saugerties Hudson River Partnership

\$600

The grant will be used for the purchase of one EZ-Up Portable Canopy with sidewalls and weight bags for use during the Saugerties Artist Tour's outdoor events, to promote the Tour's activities and provide shelter.

The Children's Home of Kingston

\$1,500

Funds will purchase of box spring mattresses to replace foam mattresses in the Residential Treatment Center. The box spring mattress will be more comfortable and offer a more restful sleep for the residential youth served.

The Queen's Galley

\$1,500

The grant will provide funding for food, and to pay expenses associated with the kitchen, such as cleaning supplies, trash removal and insurance.

Ulster Literacy Association

\$500

Funds will purchase specialized educational materials for the resource library to support the learners and tutors to work more effectively in the coming years.

Women's Studio Workshop

\$1,000

The grant will provide transition planning and teacher fees for the Hands-On Art education program with the Kingston City School District. WSW will be working with a new configuration of middle school students with the District's consolidation of schools and a larger group of elementary students.
